

### **TkFast Wins Bid for Wichita Dillons Stores**

The Kroger Corporation is always looking for ways to improve their services in order to better satisfy their customers. Kroger decided to implement a new and more efficient method of payroll recording and time clock operation. This new system would lower operating costs by streamlining the payroll department and increasing the efficiency of payroll processing. TkFast was contracted to re-wire 20 Kroger owned Dillon's supermarkets located in Wichita and the surrounding communities to accommodate the new payroll system.

Additionally, a number of the Dillon's supermarkets required wiring for new Western Union stations which also required the expertise of the TkFast onsite installation team. In order to ensure all of the targeted

Dillon's supermarkets were reconfigured for the new payroll system without delay and simultaneously, the Kroger Corporation requested some challenging timelines, which TkFast succeeded in meeting without any delays.
